# *Sustainable Supper*

...with **Cultivate**, a new social enterprise, established to bring fresh, local food direct from farmers to the city of Oxford...

It couldn't be more appropriate; a Sustainable Supper with Oxford's very own sustainable food company. Established by the people, for the people – so that we can start investing in our own food supply. Cultivate is fresh news, launching their share issue this month, see [www.cultivateoxford.org](http://www.cultivateoxford.org). So join us for an inspiring evening, of good discussion, good food and good company. And please note the different venue – **Woodstock Road Deli**, near Little Clarendon Street.

- **Date:** Thursday January 26<sup>th</sup>
- **Time:** 7.30pm
- **Place:** Woodstock Road Deli, 15 Woodstock Road, Oxford. OX2 6HA
- **Cost:** £15 / person - includes dinner and a drink

**RSVP** Please contact us **soon to secure a place**, by emailing...
